## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

(Unaudited)

### 1. Description of Business and Basis of Presentation

The ResCap Liquidating Trust ("Trust") was formed in connection with the Plan of Reorganization under chapter 11 of the United States Bankruptcy Code ("Plan") in the bankruptcy case of Residential Capital, LLC ("ResCap") and 50 of its direct and indirect subsidiaries (collectively, the "Debtors"). The Plan was confirmed by the bankruptcy court on December 11, 2013 and became effective on December 17, 2013 ("Effective Date").

Under the terms of the Plan and LTA, units of beneficial interest ("Units") were issued by the Trust to holders of allowed general unsecured claims ("Allowed Claims") against the Debtors, other than holders of general unsecured claims in classes for which the Plan prescribes payments of cash. The Units entitle their holders ("Beneficiaries") to receive a proportionate amount of cash distributions made by the Trust. The Units are issued only in book-entry form in accordance with the procedures of the Depository Trust Company. Certain holders of Allowed Claims are still in the process of providing information needed to be issued their Units.

The Disputed Claims Reserve ("DCR") was established to hold Units, and cash and other assets for the benefit of holders of general unsecured claims that become Allowed Claims after the Effective Date, unless such claims are satisfied in cash in accordance with the Plan. The Trust makes distributions of Units and cash from the DCR to holders of disputed claims that become Allowed Claims at intervals determined by the Board.

The Consolidated Financial Statements (the "Consolidated Financial Statements") have not been prepared in accordance with generally accepted accounting principles; rather they have been prepared using a liquidation basis of accounting, which the Trust considers an appropriate basis of accounting at this time. The assets are stated at their estimated net realizable value, which is the non-discounted amount of cash into which an asset is expected to be converted during the liquidation period. Assets are also established for future income expected to be earned by the Trust. Assets held for sale are valued based on estimated sales price for each asset type, and include mortgage loans, servicer advances, interest income, mortgage servicing rights, real estate owned, and trading securities. Costs to dispose of assets are also accrued and are netted in assets held for sale. The Trust also accrues costs that it expects to incur through the end of its liquidation, if and when it has a reasonable basis for estimation. The Trust will record affirmative litigation settlements or judgments when realized and collectability is assured.

The Consolidated Financial Statements include the accounts of the Trust and its majority-owned subsidiaries after eliminating all significant intercompany balances and transactions. The Consolidated Financial Statement presentation has been modified from prior periods:

- The Consolidating Statement of Net Assets in Liquidation has been changed to a consolidating schedule;
- A Consolidated Statement of Cash Receipts and Disbursements has been added ; and,
- The Consolidated Statement of Changes in Net Assets in Liquidation has been reformatted. In the Consolidated Statement of Changes in Net Assets, the impact on Net Assets of the elimination of previously recorded basis on assets liquidated and liabilities resolved is presented

# ResCap Liquidating Trust

as a non-cash reduction (assets) or increase (liabilities), while the cash impact of such transactions is included in net cash flow.

The Consolidating Statement of Net Assets in Liquidation combines assets held in bailment and non-material subsidiaries into the Trust entity. Other wholly owned subsidiaries include Cap Re of Vermont, LLC, ("Cap Re"), a captive reinsurance company, and ResCap Foreign Equity Holding Co ("International"), which holds all international businesses. Intercompany balances between entities are excluded, consisting of a Trust receivable from Cap Re of \$18.3 million and a net receivable from International of \$1.4 million.

The Consolidated Financial Statements as of and for the quarter ended March 31, 2015, are unaudited but reflect all adjustments that are, in management's opinion, necessary for the fair presentation of the results for the periods presented. These unaudited Consolidated Financial Statements should be read in conjunction with the unaudited Consolidated Financial Statements, and the related notes, for the year ended December 31, 2014.

## 6. Commitments and Contingencies

### *DOJ/AG Consent Settlement*

On February 9, 2012, Ally Financial, Inc., ResCap and certain of ResCap's subsidiaries reached an agreement in principle with respect to investigations into procedures followed by mortgage servicing companies and banks in connection with mortgage origination and servicing activities and foreclosure home sales and evictions ("DOJ/AG Settlement") which was subsequently filed as a consent judgment in the US District Court. On and after the Effective Date, the Trust must continue to perform the remaining obligations under the DOJ/AG Settlement, other than certain obligations assumed by the purchasers of ResCap's mortgage servicing rights in the sales that occurred during the chapter 11 cases pursuant to section 363 of the United States Bankruptcy Code (the "Section 363 Sales"). Under the terms of the DOJ/AG Settlement, the Trust is obligated for certain Office of Mortgage Settlement Oversight ("OMSO") costs related to the purchasers in the Section 363 Sales.

The Trust estimated and established a liability for its DOJ/AG Settlement obligations and related costs and expenses of \$47.0 million and \$52.4 million as of March 31, 2015 and December 31, 2014, respectively.

### *Litigation*

Claims have been asserted against the Trust. At this time, the Trust cannot estimate the possible financial effect of these claims.

### *Affirmative Litigation*

The Trust is pursuing various affirmative litigation matters. These include:

- Indemnity and breach of contract claims against correspondent lenders that sold loans to Residential Funding Company LLC ("RFC") (a subsidiary of ResCap), seeking recovery of liabilities and losses that RFC incurred by virtue of its purchase from the defendants of residential mortgage loans that breached the defendants' representations and warranties. As of December 31, 2014, there were 79 total filed cases outstanding and tolling agreements with 6 other correspondent lenders.

On February 18, 2015, the Trust entered into a settlement agreement with a correspondent. The agreement provides for the full and final resolution of two pending litigations against this correspondent and a mutual release of all claims relating to residential mortgage loans that the correspondent sold to RFC, in exchange for payment to the Trust of \$20.5 million.

In addition, in 2015, one new case was filed, and one case was dismissed. As of March 31, 2015, there were 77 total filed cases pending; one case dismissed and on appeal; and tolling agreements with 6 other correspondent lenders.

- Claims pursuant to transactions with foreign subsidiaries. During the quarter, one matter was settled related to the Trust's foreign subsidiaries. All proceeds are expected to be received and held by the subsidiary or its parent, RFC Foreign Equity Holdings Co, until such time as determined by the Liquidating Trust Board ("Board") to be transferred to the Trust.

## ResCap Liquidating Trust

---

- Other affirmative litigation matters. The Trust is party to certain other affirmative litigation, principally in adversary proceedings before the bankruptcy court seeking avoidance of transfers made to creditors prior to the commencement of the bankruptcy. The Trust also is party to an action against certain insurers for failure to cover certain settlement costs.
- Reservation of rights. The Trust has reserved its rights with respect to other affirmative claims it may bring in the future.

At this time, the Trust cannot predict the outcome of these litigations or estimate the possible financial effect of these matters on the Consolidated Financial Statements, and as such, neither contingent gains nor any contingent costs to pursue these matters are currently recorded.

### *Other*

Prior to the formation of the Trust, on March 18, 2013, the U.S. Attorney's Office for the Central District of California served an investigative subpoena on Residential Capital, LLC pursuant to 12 U.S.C. 1833a (Financial Institutions Reform, Recovery, and Enforcement Act of 1989, or FIRREA). On February 13, 2014, and March 2, 2015, supplemental subpoenas were served on Residential Capital, LLC. The subpoenas seek documents and information related to the Debtor's securitization activities, including the purchase of loans from third-parties. The Trust continues to cooperate with the U.S. Attorney's Office in connection with its investigation.

### 7. Subsequent Events

Events subsequent to March 31, 2015 were evaluated through May 11, 2015, the date on which these Consolidated Financial Statements were issued.
